Cpt S 260 Homework #2

Please print your name!

1. Convert the following C code block into assembly:
```
for (int i=0; i<10; i++)
 if ( i%2==0)
  k=k*2+1;
```

2. Convert the following C code block into assembly:
```
char A[]= "world";
int len=0;
char* P=A;
while (*P && *P != 'd')
  ++P;
len= P-A;
```
